Arizona Corporation Commission Utilities Division Director 1200 West Washington Phoenix, AZ 85007-2996

> RE: Docket W-01651B-12-0339 Decision No. 73995 Calendar 2014

Dear Sir or Madam:

Attached is the amended CAP Surcharge Mechanism (surcharge) for the year 2014 and the submittal of 2015 surcharge as required by the above referenced Decision, Section C, paragraph 53.

The 2014 amended CAP Surcharge Mechanism reflects no water being wheeled in 2014 (line 6). The amount Vail Water is requesting is \$0/1000 gallons for 2014 and \$2.08/1000 gallons for 2015. It also reflects the gallons sold and pumped in prior years (lines 27, 28, 29) for the entire year of 2013 not just November and December.

As Page 11 of the subject decision requires Vail Water to file a request to the Commission for approval for the initial surcharge.

If you have any questions please do not hesitate to contact me at (520) 571-1958, extension 7105, via fax at (520) 571-1961 or email at kvolpe@estesco.net.

Sincerety,

Christopher T. Volpe Vice President
